

Industrial land for energy storage project in Bissau

Who financed the Guinea-Bissau solar project?

The entire solar and hybrid project is being financed by the Government of Guinea-Bissau with a \$42.9 million loan from the West African Development Bank (BOAD). This financing was granted as early as 2017. The solar project, for which Sinohydro signed the engineering, procurement and construction (EPC) contract, involves three facilities.

Will China build Guinea-Bissau's first solar power plant?

A Chinese state-owned company has been contracted to build Guinea-Bissau's first large scale photovoltaic project, the Gardete solar power plant. The African Biofuel and Renewable Energy Company (ABREC), which promotes renewables and energy efficiency in several countries, has awarded the contract to China's hydropower entity, Sinohydro.

What is the country strategy for Guinea-Bissau?

Energy a key component of Country Strategy for Guinea-Bissau Guinea-Bissau's energy and transport infrastructure are at the core of the recently published Country Strategy Paper 2022-2026. News & Commentary

How much energy does Guinea-Bissau use?

As a result, around 95% of the energy consumed in Guinea-Bissauan households comes from biomass. The AfDB recently stated Guinea-Bissau has only 11MW of installed power generation capacity, almost all of being thermal generation.

Does Guinea-Bissau have solar power?

Guinea-Bissau relies on fossil fuels and solar has seen limited development, with the exception of rural electrification initiatives. The nation has one of the lowest electrification rates in Africa, as well as electricity prices among the highest on the continent.

Search all the ongoing (work-in-progress) pumped hydro energy storage (PHS) plant projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Guinea-Bissau with our comprehensive online database.

The development of the baseline and tariff studies for the mini-grids is being ...

Search all the latest and upcoming water storage reservoir (WSR) projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Guinea-Bissau with our comprehensive online database.
