

Nauru construction site container wholesale

What is Nauru port development project?

The proposed Port Development Project (the project) will improve port operations in Nauru by constructing a quay wall and access causeway at Aiwo, reconstructing port buildings, container storage and strengthening institutional capacity of the Nauru Ports Authority (NPA).

What does Nauru import for construction?

All building timber has to be imported for construction on Nauru. There are no forests on Nauru. The balance of trade is the difference between what a country sells to other countries (its exports) and what it buys (its imports).

How much money will be spent on environmental projects in Nauru?

This is currently estimated at \$17.30 million and will cover \$7.70 million of the expenditure related to civil works, \$6.60 million for additional physical contingencies, and \$3.00 million of in-kind contributions. Funded by the Asian Development Bank, Green Climate Fund, Australian Government (DFAT) and Government of Nauru.
