

Panama lead-acid energy storage battery pump manufacturer

Panama is the second Central American country to establish diplomatic relations with China. The first was Costa Rica in 2007. One of the first issues Costa Rica and China addressed was the signing of a free trade agreement (FTA), which was finalized in 2011. Therefore, there are many voices in Panama calling for FTA negotiations with China.

Nicole Wong. Foto cortesía de la entrevistada. No había llegado a cumplir los 30 años de edad cuando Nicole Wong asumió uno de los retos más importantes de su vida. Como directora general de política exterior del Ministerio de Relaciones Exteriores de Panamá, fue partícipe de las históricas conversaciones y negociaciones que derivaron en el ...

Panama is China's largest trading partner in Central America while China is Panama's second largest trading partner in the world and the 2nd largest user of the Panama Canal. The joint report pointed out that China and Panama are strongly complementary to each other in economy and the signing of FTA on the basis of the mutually beneficial ...
