

Portable power bank points redemption

What is a shared power bank?

Shared power banks are portable battery packs available for rent at various locations. These power banks provide a convenient solution for charging your mobile phone and other devices on the go. In China, this service has become incredibly popular, making it easy to find a power bank rental almost anywhere. How Do Shared Power Banks Work?

How do you use a power bank?

Payment is typically made through mobile payment apps like WeChat Pay or Alipay. Charge Your Device: The power bank comes with multiple cables, including micro USB, USB-C, and Lightning connectors. Plug in your mobile phone and start charging. Return the Power Bank: When you're done, return the power bank to any station.

Are portable external power bank gifts a fail-safe choice for HK clients?

With a rising social trend of carrying multiple mobile phones and electronic devices on the go, a portable external custom power bank gift is a fail-safe choice your HK clients will love. Place Your Order Today!

What is a power bank gift?

Power bank gifts are the perfect way to promote your business while giving back to your clients and colleagues. Visit GiftU now and choose from our wide range!

What is the best portable power bank?

The Anker PowerCore II offers multiple USB port types and a high milliamp-hour (mAh) capacity, allowing for multiple devices. For those with large devices, the Sikon AC Outlet has a huge capacity that can keep a laptop powered. When you're miles from anywhere, a portable power bank can quickly become your very best friend.

Does the power bank support pass-through charging?

Yes, the power bank supports pass-through charging. However, it requires a charger rated at 20W or higher, and the input power must exceed the output power to enable this feature. Is it normal for the power bank to display "No Recharging Mode"? Yes, this is normal. When the power bank discharges at high power, its temperature increases.
