Anyone able to give me some advice about the best outdoors / hiking equipment shops in oslo? Many thanks. Report inappropriate content . patbateman. malmoe, sweden. 115 posts. 2 helpful votes. 1. Re: Oslo Outdoor Shops . 19 years ago. Save. always hard stating the best of anything, but my choices would be:

A well-developed electricity grid makes it possible to transmit power from the hydropower plants in the southwest and north to consumers in other parts of Norway and abroad. The grid must be able to cope with both short- and long-term variability in production and consumption in order to ensure that electricity supplies are maintained.
