How can solar power plants benefit Senegal?

The project estimates that more than 400 jobs in the towns benefit from the existence of the new solar power plants in Senegal. Because Senegal mainly relies on imported oil for electricity, solar power plants offer a more reliable and sustainable green energy source that costs less.

How many jobs will the new solar power plants create in Senegal?

The addition of the solar power plants form part of the World Bank Group's Scaling Solar program and are funded by the International Finance Corporation (IFC), European Investment Bank and Proparco. The project estimates that more than 400 jobs in the towns benefit from the existence of the new solar power plants in Senegal.

Who sponsors Senegal's solar power plants?

The PV plants, located in Western Senegal, are sponsored by Engie, Meridiam, and the Senegalese Sovereign Wealth Fund for Strategic Investments (FONSIS). The competitive tendering process was led by Senegal's Energy Regulatory Commission (CRSE). For more information, please read the press release [here](#).

Where are Kael and Kahone solar plants located?

The Kael and Kahone solar plants, the first financed and tendered under the Scaling Solar program in Senegal, became operational in May 2021. The PV plants, located in Western Senegal, are sponsored by Engie, Meridiam, and the Senegalese Sovereign Wealth Fund for Strategic Investments (FONSIS).

Which solar power plants are the cheapest in Sub-Saharan Africa?

Proparco is delighted with the successful commissioning of the Kahone and Kael solar power plants, which constitutes a new milestone in Senegal's low carbon transition. The price of the electricity produced by these projects is one of the cheapest in sub-Saharan Africa.

Which Senegal power plants have a 60mwac capacity?

The two plants that launched operations last month are located in Kael and Kahone in Western Senegal and have a total capacity of 60MWac.

Le centre commercial Sea Plaza est donc situ&#233; sur la corniche Ouest de Dakar au S&#233;n&#233;gal. C'est en outre le premier centre en Afrique de l'Ouest regroupant les plus grandes Marques. Retrouvez donc ci-dessous ...
