The Lutheran Cathedral of Tampere dates from 1907 and is in the Gothic National Romantic style. It is built with Finnish grey granite and its roof is red. The most striking aspect of the cathedral is the Gothic frescoes found inside, painted by the artist Hugo Simberg between 1905 and 1906.. The frescoes in the church were the subject of controversy at the time of their opening due to ...

This is the essence of a Finnish sauna in Tampere - a serene retreat that transcends mere relaxation. Welcome to the Sauna Capital of the World! In the region, nearly 70 public saunas heat up year-round! Tampere has been the Sauna Capital of the World since 2018. The title is earned through the region's high-quality saunas and having the ...

The city of Tampere has two historical highlights to offer, which certainly not everyone knows. Indeed, Finnish industrialization can be traced back to the Tampere region. For example, Finland's first electric light once illuminated a cotton mill in Tampere. The global company Nokia was also founded in Tampere in 1865 by engineer Fredrik Idestam.

Best saunas in Tampere. Tampere is known as the sauna capital of Finland (and at the same time the whole world), so strong is Tampere's sauna culture. The city's most famous sauna is Rajaportti Sauna, which was opened already in 1906 - Rajaportti is the oldest public sauna in Finland. A visit to the steam baths of the Rajaportti sauna is ...

In January, the days are short. In Helsinki, the sun sets around 4pm and in northern Lapland the sun doesn't rise at all during the beginning of January. This season is called "kaamos" in Finnish - an excellent time to spot the Northern Lights! The average temperature in January 2021. Rovaniemi -13.1°C / 8.6°F
Tampere -5.4°C / 22.3°F

When visiting the Finnish city of Tampere and its surrounding regions, one thing that everyone should try is an authentic Finnish sauna. Thankfully, there are many options throughout Tampere, offering the full range of sauna experiences from modern luxury saunas to rustic smoke saunas. ... These contain floor-to-ceiling glass windows, an ...

Tampere is a unique combination of Lakeland charm and the urban Nordic city. Many public saunas, cultural events, laid-back locals, and the old red-brick industrial buildings next to the Tammerkoski River, which runs through the city, are some of the ingredients that make Tampere one of the most attractive cities in Finland.
